

Closure of two plants in France

Geberit AG, Rapperswil-Jona, 12 July 2017

As part of the project announced in May 2016, the management of Allia SAS – a subsidiary of Geberit in France – has reached an agreement together with the unions regarding the cessation of the ceramic production at its plant in Digoin and the closure of its plant in La Villeneuve-au-Chêne, subject to approval of the labor administration.

The Geberit Group recognised total costs of CHF 44 million in the second quarter 2017 for the closure.
