

Notice of Judgement

Sanitec Europe Oy has received from the General Court in Luxembourg a letter fixing the timing of the judgement in the bathroom fittings cartel appeals, on the decision by the European Union 23 June 2010 imposing fines on 62 companies on grounds that they have infringed EU competition law between years 1994 and 2004.

The judgement will be published on 16 September 2013 at 09.30. Other defendants in the bathroom fitting industry will receive their judgements the same day. Sanitec made a provisional payment in cash of the fine amount in September 2010.

About Sanitec

Sanitec is the leading bathroom ceramics specialist with a strong pan-European portfolio of locally well-established brands. We work closely together with our customers, industrial partners, architects and designers to develop sustainable and complete bathroom concepts including bathroom ceramics, furniture, pre-wall flushing solutions, taps and mixers, as well as baths and showers. Our brands and products stand for a high level of innovation and quality, as well as advanced design that is both functional and attractive.

We operate an integrated global organisation with an unparalleled local presence to provide the best value to our customers when it comes to bathroom products. In 2012 our net sales amounted to EUR 752.8 million and currently we are about 6,700 employees working in our 18 European based production plants and in our global sales and support functions in 18 countries. Our head office is located in Helsinki, Finland.
