

ANDERS SPETZ JOINS SANITEC AS CHIEF COMMERCIAL OFFICER

06.08.2013

Anders Spetz has been appointed Executive Vice President (EVP) and Chief Commercial Officer (CCO) for Sanitec Group as well as member of the Top Management Team (TMT), reporting to the President & CEO, Peter Nilsson. As CCO, Mr Spetz will be responsible for all Sales and Marketing activities within the Group. He will be based in Sanitec's office in Düsseldorf/Ratingen, Germany.

The appointment is effective 1 October 2013, but whenever possible Mr Spetz will be involved in key activities already before. Until then, CEO Peter Nilsson will continue to have the interim responsibility for Sales & Marketing.

Mr Spetz has worked several years in different positions within the process, consumer care and packaging industries globally. During the last years he has held the position as Managing Director and Chairman of group companies within the Trioplast group.

"I am pleased to welcome Anders to Sanitec", says Peter Nilsson. "His knowledge and experience will be an asset to Sanitec. With this appointment, we will focus even more on our Sales efficiency", he continues.
