### *About Sanitec*

Sanitec is the leading bathroom ceramics specialist with a strong pan-European portfolio of locally well-established brands. We work closely together with our customers, industrial partners, architects and designers to develop sustainable and complete bathroom concepts including bathroom ceramics, furniture, pre-wall flushing solutions, taps and mixers, as well as baths and showers. Our brands and products stand for a high level of innovation and quality, as well as advanced design that is both functional and attractive.

We operate an integrated global organisation with an unparalleled local presence to provide the best value to our customers when it comes to bathroom products. In 2012 our net sales amounted to EUR 752.8 million and currently we are about 6,500 employees working in our 18 European based production plants, in our global sales and support functions in 19 countries. Our head office is located in Helsinki, Finland.
