

No cartel participation fine against Geberit

Geberit AG, Rapperswil-Jona, June 23, 2010

Today, the EU-Commission has imposed a fine of EUR 622 million upon various manufacturers of the sanitary industry for participation in illegal price agreements and exchanges of sensitive data in a cartel investigation running since 2004.

The investigation against Geberit was closed without imposing a fine. The original charges were not maintained by the EU-Commission. Geberit had constantly stressed that these charges are completely unfounded.
