

Short biography Regi Aalstad (1964)

Norwegian citizen, resident in Founex (CH),
married, 4 children

Regi Aalstad is a member of the Board of Directors of the Telenor Group, operating in international telecom and digital services in Europe and Asia. She is also an advisory board member of a Swiss start-up company in digital health.

Regi Aalstad was born in Norway in 1964 and lives in Switzerland. She has over 25 years of international experience in fast moving consumer goods with industry leader Procter & Gamble. She has held several General Manager and Vice President positions for P&G in Europe, Middle East and Africa, and Asia in Paper & Hygiene products. Regi Aalstad first joined P&G's Nordic subsidiary in 1988 and has since been based in Egypt, Switzerland and Singapore. She was a member of Procter & Gamble's Global Business Leadership Council since 2005. She served as Vice President of Baby Care until 2014 in the CEEMEA division (Central Eastern Europe, Middle East & Africa).

Ms. Aalstad holds a Master of Business Administration in International Business from University of Michigan, USA.

Today Regi Aalstad shares her distinctly global leadership experiences in the areas of geographic expansion, brand & portfolio building, innovation and organizational development as a Board of Directors member and advisor.

Regi Aalstad will be nominated for election to the Board of Directors of Geberit AG by the Geberit Board of Directors at the 2016 General Meeting.

Rapperswil-Jona, in February 2016
