## 2.6 LIMITATIONS ON TRANSFERABILITY AND NOMINEE REGISTRATIONS

Upon request and presentation of evidence of the transfer, acquirers of shares are registered as shareholders with voting rights in the share register if they explicitly declare to hold the shares in their own name and for their own account. Art. 5 of the → **Articles of Incorporation** stipulates that the Board of Directors may register nominees as shareholders with voting rights in the share register up to a maximum of 3% of the share capital. The Board of Directors may register nominees as shareholders with voting rights in excess of such registration limitation, provided the nominees disclose detailed information and shareholdings of the persons for which they hold 0.5% or more of the share capital.

The Board of Directors has the power to delete entries in the share register retroactively as of the date of entry if the registration has been made on the basis of false information. It may give the concerned shareholder the opportunity to comment in advance. In any case, the shareholder concerned is informed without delay about the deletion.

Furthermore, the → **Articles of Incorporation** do not contain any restrictions in terms of registration or voting rights.

In the reporting year 2020, there were two registrations in the share register of shares with voting rights held by nominees. In both instances, the nominee requested the registration of shares in excess of the 3% registration limitation. The Board of Directors approved this because the nominees in question met the requirements in the Articles of Incorporation that would enable such an exemption.

As of 31 December 2020, two nominees were registered in the share register of Geberit AG with voting rights of more than 3% of the total outstanding share capital:

- Chase Nominees Ltd.: 6.96%
- NorTrust Nominees Ltd.: 3.6%

The Board of Directors did not have to delete any entries in the share register retroactively as of the date of entry in the 2020 reporting year.

According to Art. 11 of the → **Articles of Incorporation**, amendments to the provisions regarding the restriction of the transferability of registered shares require a resolution of the General Meeting passed by at least two-thirds of the votes represented. For the procedure and the conditions for cancelling the restriction of the transferability, see → **Annual Report 2020, Business Report, Corporate Governance, 6. Participatory Rights of Shareholders, p. 18**.
